(Any packing done by yourself is not covered on our insurance for breakages/damage)

We are not responsible for mirrors or picture glass particularly clip art picture frames during transit.

**Payment:**

For local removals payment is required on the day of the removal, in full.

For long distance removals payment is required in advance, prior to the removal being carried out.

For storage, payment for the removal to storage is required for local removals on the day of the removal to store, for long distance removals in advance, prior to the removal being carried out.

Storage charges: an invoice will be issued at monthly intervals, which is due upon receipt of the invoice. When a date is booked for the removal from store a final invoice will be issued to cover the cost of any further storage charges up to the date of removal, the removal charges from store and also including any invoices that have already been issued but remain unpaid.

ALL invoices are to be paid IN FULL BEFORE the removal of the furniture from store.

**Boxes:**

10 boxes are supplied free on request once a removal date has been booked with us. These boxes come flat packed and can be collected from our depot. Further boxes can be purchased if required please ask for more information.
